

# TUNDRA BAPTIST CHURCH

February 28, 2021

[www.tundrabc.com](http://www.tundrabc.com)

**RESTORE. REBUILD. REVIVE.** These are three key words we need to focus on as we come out of almost a full year of COVID shutdowns, quarantines, and limited activities. During uncertain times we've tried balance how to keep people safe and how to keep the doors open. The ministry of the church is important and the work of the Gospel is essential at all times and in all circumstances.

Now, the priorities are to **restore, rebuild** and **revive**. Let's start with restoring attendance. In March and April let's get back to church! We'll designate the next four weeks as our **MARCH to EASTER SUNDAY**. The best option for most is to come inside and worship in person. Social distance, face masks, sanitized surfaces and other normal protocols will still be in place. If you choose not to be where people gather, the worship service will be broadcast to the parking lot on an AM radio frequency or by headphones, in the safety and comfort of your own car. There will be designated parking areas with a monitor for viewing and worship packets so you can connect with what's going on inside the sanctuary. Also, beginning the first Sunday of March the worship service will be live. Join us on your computer, phone or tablet at [tundrabc.com/live](http://tundrabc.com/live) to watch in real time.

Please, mark those dates on your calendar, and make your commitment, do your part to restore our attendance. And of course, invite someone to church!

**Ladies Night Out. March 8th at 6:30** This *Night Out* will have a spring and Easter theme with a Bible study on Mary Magdalene, one of the most notable women of the New Testament, and a craft best described as an *Easter Garden*. Come, get to know one another better, enjoy fellowship, inspiration from God's Word and have a break from day to day life. It can also be a way of introducing people to the church, reaching out to friends, neighbors and colleagues in the community.
